## CONGRESS

### WHO IS KAREN DIEBEL?

- Businesswoman
- Conservative
- Community Leader
- Tough Campaigner

In 2010, Karen Diebel stepped up to run against Democrat Incumbent Suzanne Kosmas. Just a few months later, her campaign came within 543 votes of the nomination.

### WHAT IS KAREN'S NEXT CHALLENGE?

- Florida gains two new seats from re-apportionment, with one of those likely a new swing seat in Central Florida's fast-growing I-4 Corridor.
- The Presidential and U.S. Senate campaigns in both parties will place their highest priority on Central Florida – this seat will be hard earned.
- Karen Diebel has never stopped working – she believes we can't wait until the lines are drawn to build a winning campaign for this new seat.
- Karen is growing her financial base and laying the groundwork to run for an open seat in the Tampa-Orlando area.
- Karen supports all our incumbent Republicans and believes we need candidates who are ready to be self-sufficient to strengthen the entire ticket.
- A strong 2011 for Karen Diebel will put Republicans in the drivers' seat to gain a new seat in Central Florida.
